

CERTIFICATE COURSES

Course Code	Courses	Duration	Course Content	Eligibility
CCA	Certificate in Computer Application	3 months	Operating System (Windows) MS Office (Word, Excel, PowerPoint) HTML	8
COM	Certificate in Office Management	3 months	MS Office (Word, Excel, PowerPoint)	10
CIT	Certificate in Information Technology	6 months	Operating System (Windows, DOS) MS Office (Word, Excel, PowerPoint) RDBMS using MS Access Programming with C Basic Web Development Digital Electronics Fundamentals	10
CHT	Certificate in Hardware Technology	3 months	Operating System (Windows, DOS) Assembling & Installation Internet Input-Output Peripheral Mgmt. Digital Electronics Data Recovery & Formatting	12
CCNT	Certificate in Computer Networking Technology	6 months	Internet Input-Output Peripheral Mgmt. LAN Installation Cabling & Wired Networking NIC Mgmt. & IP Addressing Wireless Networking	12
CCP	Certificate in Computer Programming	6 months	Operating System (Windows) Programming with C OOPS using C++ Java Programming	12

CDP	Certificate in Desktop Publishing	6 months	MS Office (Word, Excel, PowerPoint) Adobe Photoshop Corel Draw Bengali Typing Software	10
CWD	Certificate in Web Development	6 months	Java Script CSS Web Development using HTML ASP.Net Fundamentals PHP (Wordpress /Zoomla) Dreamweaver	12
CDOT	Certificate in .Net Technology	6 months	Visual Basic VB.Net C# .Net ASP .Net ADO OLEDB using MS SQL	12
CFA	Certificate in Financial Account	6 months	Operating System (Windows) MS Office (Word, Excel, PowerPoint) Financial Accounting Tally Internet	10

IT DIPLOMA COURSES

Course Code	Courses	Duration	Course Content	Eligibility
DCA	Diploma in Computer Application	12 months	Operating System (Windows) MS Office (Word, Excel, PowerPoint) RDBMS using MS Access Basic Web Development HTML Concept of SQL Internet Programming with C / C++ Computer Peripherals Multimedia	10

DDP	Diploma in Desktop Publication	12 months	MS Office (Word, Excel, PowerPoint) Adobe Photoshop Corel Draw Adobe PageMaker Bengali Typing Software Adobe Image Ready	10
DIT	Diploma in Information Technology	12 months	Operating System (Windows, DOS) MS Office (Word, Excel, PowerPoint) RDBMS using MS Access Programming with C Basic Web Development Digital Electronics Computer Networks Internet Applications E-Commerce	12
DHTN	Diploma in Hardware Technology & Networking	12 months	Operating System (Windows, DOS) Assembling & Installation Internet Input-Output Peripheral Mgmt. Digital Electronics Data Recovery & Formatting LAN Installation Cabling & Wired Networking NIC Mgmt. & IP Addressing Wireless Networking	12
DCP	Diploma in Computer Programming	12 months	Operating System (Windows) Programming with C OOPS using C++ Java Programming Visual Basic .Net Technology C#	12
